Move Over WKRP.</p> KLIK is the ultimate true radio station story, as told by the women who do the work. Morgan Wade stride into town to whip the San Francisco station into shape, and runs into an office full of women just discovering independent and not always good-girl thinking.</p> KLIK's women look at Wade sideways, and for good reason. Clawing ambition, office politics, competition, loneliness, divorce and just plain sex complicate the live of almost everyone at KLIK.</p> Chaos reigns.</p> But the shows must go on.
