Marie Bostwick's debut novel, FIELDS OF GOLD tells the story of Evangeline Glennon, a young woman who is certain her future in Dillon, Oklahoma will be as predictable and flat as the prairie that stretches from her front door to the edge of the horizon. She is wrong.

Out of a clear blue sky, a dashing young pilot makes an impossibly gentle landing in her Papa's wheat field. After taking her up in his plane, Slim leaves Eva with an exhilarating new perspective and an even more precious gift that changes her forever.

Fresh and compelling with richly drawn characters and authentic voices, FIELDS OF GOLD tells the story of parallel lives and extraordinary dreams.
