出版时间:2003-09

装帧:Paperback

isbn:9780859650830

Written at the request of Pete Townshend and endorsed by the rest of the band, this in-depth history of The Who took author Dave Marsh three years to research and write. Complete with photographs, it covers the group's origins and meteoric rise to fame, reveals inside information on the personalities and lives of the band members, and documents the relationships, drugs, destruction, money, and mayhem behind the music of this legendary rock band..
