Now a Hallmark Hall of Fame TV-movie starring Kathy Bates, Elizabeth Perkins, and Lynn Redgrave.

When Margaret Moorman's older sister, Sally, was first hospitalized with schizophrenia in 1959, her family denied the truth to neighbors, friends-and even themselves. Not until thirty years later, when their mother's death made her Sally's sole caretaker, did Margaret face the truth. In this poignant memoir, she tells the brave story of her struggle to come to grips with the legacy of her sister's devastating disease, its effect on her own life and on her entire family. Candid, moving, and ultimately healing, My Sister's Keeper is a heartwarming story about two sisters and their love for one another.
