Tempe's work at the Jeffersonian Institute is put on hold when Special Agent Seeley Booth, stalled on a case deposing a Chicago mob family, calls her in to assist with a bizarre discovery: a plastic bag of skeletal remains -- and a chilling note -- left on the

steps of a federal building. Tempe determines the bones are from different corpses, suggesting a serial killer's handiwork. A suspect is quickly taken into custody, but Tempe senses the case is far from closed. And as Booth's Mafia case heats up with violent twists and bloody discoveries, including ties to one of Chicago's most gruesome and notorious killers, Tempe must unravel the story of the bones, where the truth lies buried -- in order to stay alive.

评论

略有一些虎头蛇尾的感觉，其实我更期待Kathy Reichs的原创作品。需看中文版可去凤软，这个不算广告吧。
