著者:Grosz, George/ Wood, Antony (EDT)

出版者:Yale University Press

出版时间:1997-07-21

装帧:Hardcover

isbn:9780300072068

No other artist`s work depicts Berlin of the 1920s as unmistakably as the paintings, drawings, and prints of Grosz. This book presents about 150 of Grosz`s finest works on paper. It also provides fascinating information about the artist, including several of his key theoretical essays and many revealing letters that are here translated into English for the first time.
