What more can you possibly say about love? Leave it to Bradley Trevor Greive to cut through centuries of words that examine this universal emotion to present both the sum and substance of love in a way that will touch readers' hearts. As he's done in 10 previous titles with us - from *The Blue Day Book* to *Dear Dad* - Bradley combines his uncomplicated wording and unique viewpoint in a way that appeals to readers everywhere. *The Simple Truth About Love* explores this driving sentiment throughout its many nuances, while recognizing the elements that make it such an incredibly wonderful part of our lives. Helping along the way, of course, are the individually selected animal photographs that perfectly convey the ideas that Bradley presents. From the chick sheltered beneath his mother's wing to the cubs locked in joyous embrace, the images make this book a delight on their own. 'Complex in their simplicity', 'Satisfying and fulfilling', and 'Just right ...every time' are common and oft-repeated responses. *The Simple Truth About Love* now promises the same praise.
