ACCOUNTING: INFORMATION FOR DECISIONS, 6th is proud to define excellence in its approach to Financial Accounting. Clearly illustrating that accounting is the language of business, all students will be able to drive excellence in their own careers when they start with this strong foundation. This innovative approach continues to provide direction to students who choose accounting careers, and to those who progress through their careers as business managers. The streamlined new design of the 6th edition provides a clear, concise, and directional learning path so students will easily navigate their way through the material and enhance their learning experience with clear connections to topics in the book and issues in the workforce. Recent news headlines indicate that the coverage of ethics has never been more important - especially in Accounting. The 6th edition highlights ethical dilemmas and challenges students to think about what they would do when faced with these issues. In addition, updates on the impact of the Sarbanes-Oxley Act have also been included.
