The movie "Fateless" is the story of a twelve-year-old Jewish boy from Budapest who survives life in a succession of horrific concentration camps until he is finally liberated by the Americans. The original novel is by Nobel Laureate Imre Kertesz, who also wrote the screenplay. The soul-stirring movie was directed by Oscar nominee Lajos Koltai.

This extraordinary volume is not just another "making of" book, it is the story of Imre Kertesz, it is Lajos Koltai's story, it is the story of 'Fateless'.
