No matter what else was going on in his life or where he was—traveling to make movies, at the White House, or sometimes just across the room—Ronald Reagan wrote letters to Nancy Reagan, to express his love, thoughts, and feelings, and to stay in touch. Through these extraordinary letters and reflections, the private character and life of an American president and his first lady are revealed. Nancy Reagan reflects with love and insight on the letters, on her husband, and on the many phases of their life together. A love story spanning half a century and the private life of this classic American couple come vividly alive in this rare and inspiring book.
