出版时间:2007-1-15

装帧:Paperback

isbn:9780521615037

Quentin Skinner's classic study *The Foundations of Modern Political Thought* was first published by Cambridge in 1978. This was the first of a series of outstanding publications that have changed forever the way the history of political thought is taught and practised. *Rethinking the Foundations of Modern Political Thought* looks afresh at the impact of the original work, asks why it still matters, and considers a number of significant agendas that it still inspires. A very distinguished international team of contributors has been assembled, including John Pocock, Richard Tuck and David Armitage, and the result is an unusually powerful and cohesive contribution to the history of ideas, of interest to large numbers of students of early modern history and political thought. In conclusion, Skinner replies to each chapter and presents his own thoughts on the latest trends and the future direction of the history of political thought.

作者介绍:

[英]A·布雷特(Annable Brett), 剑桥大学历史学高级讲师, 著有《自由、权利与自然: 晚期经院哲学中的个人权利》等著作。

[加]詹姆斯·塔利(James Tully), 维多利亚大学政治科学功勋教授, 著有《语境中的洛克》、《陌生的多数》等。

评论

It is possible that Skinner's historical intelligence is focused on the synchronic, the detailed reconstruction of language situations as they exist at a given times, whereas Pocock's leans to the diachronic, the study of what happens when languages change or texts migrate from one historical situation to another.
