出版者:Harper Collins

出版时间:1997-7

装帧:Paperback

isbn:9780006499602

Another four of Agatha Christie's twelve, celebrated Miss Marple novels in a single volume, bound in the stylish livery of the new series. A Caribbean Mystery As Miss Marple dozes in the West Indian sun, an old soldier talks of elephant shooting and scandals. Then he dies - shortly after offering to show her a picture of a murderer. It's not long before the deceptively frail detective finds herself investigating a most exotic murder...A Pocket Full of Rye Rex Fortescue, 'king' of a financial empire, was in his counting house; his 'queen' was in the parlour...and that's exactly where they were when they died. There are baffling similarities between the rhyme and the crime and it takes all Miss Marple's ingenuity to find them...The Mirror Crack'd from Side to Side Marina Gregg, the famous actress, witnesses a murder in her country home. But what gave her the expression of frozen terror that only Dolly Bantry saw? Dolly, of course, knows just who can find out: her old friend Miss Marple...They Do It With Mirrors To fulfil a promise to an old schoolfriend, Miss Marple stays in a country house - with 200 juvenile delinquents and seven heirs to an old lady's fortune. One of them is a murderer - with, it seems, a talent for being in two places at once...
