

Anarchy

[Anarchy_ 下载链接1](#)

著者:Errico Malatesta

出版者:Freedom Press

出版时间:1974-2

装帧:Paperback

isbn:9780900384073

Malatesta's seminal pamphlet explaining the anarchist ideal, written in 1891, and still relevant as an introductory text of anarchism. A new translation (1994) from the Italian.

作者介绍:

Errico Malatesta, 1853-1932, was a tireless revolutionary who spent nearly sixty years in the anarchist movement. Half his life was spent in exile from his native Italy, and more than 10 years was spent in prison, mostly awaiting trial. An important writer often overlooked in the anarchist pantheon.
