出版者:Penguin Putnam

出版时间:1998-05

装帧:Paperback

isbn:9781578700639

Written by a team of industry-leading experts, SAP R/3 Implementation Guide guides managers through the implementation of this powerful system. This book provides a real-life perspective that can help you avoid common pitfalls encountered when implementing SAP. It shows you how SAP will impact your business and, more specifically, your customers, material suppliers, and distributors. It explains why many

SAP projects fail or run over budget and time. And, managers will gain a better understanding of the advantages and disadvantages of SAP and become proficient with all of its intricacies.
