著者:Heinz Kohut

出版者:University Of Chicago Press

出版时间:1984-06-15

装帧:Hardcover

isbn:9780226450346

"How Does Analysis Cure?" is Heinz Kohut's final book. It is, in part, a response to criticism leveled at his two previous books, "The Analysis of the Self" and "The Restoration of the Self, but it is also a thoughtful, fluent reevaluation of his own work in psychoanalytic self psychology.
