The lead singer of the acclaimed, platinum-selling group Franz Ferdinand takes readers on a rock-and-roll culinary adventure around the world. The extremely successful band Franz Ferdinand has millions of fans around the globe, and the group's frequent tours bring its members not only to a wide variety of places but also face to face with a wide range of food. Here, lead singer Alex Kapranos collects his humorous and insightful reflections—compiled partly from his column in the Guardian (London)—on his many international gastronomic encounters, both savory and not so savory. From the charms of a donut shop in a Polish-speaking part of Brooklyn to a decidedly less charming pair of bull's testicles in Buenos Aires to the seductive, almost-vegetarian allure of a heavenly Singaporean buffet, Kapranos always gets the mouthwatering details just right while delivering an entertaining look at rock-and-roll life on the road.

kapranos文笔真的蛮好啊! 小故事都简短又有趣, 也很想去试试他描写的那些风格各异的食物。有声书版想下但貌似没源了, 哭。

-----  
写得真好 准备去买实体书了...
