isbn:9780385336536

As the legal controversy continues--this newly revised and updated third edition of the landmark bestseller contains new, critically important information for patients, loved ones, and medical personnel.

The original publication of Final Exit stunned the nation by offering people with terminal illness a choice on how--and when--to end their suffering. It helped thousands by giving clear instructions to doctors, nurses, and families on how to handle a patient's request for euthanasia.

In the wake of court cases and legislative mandates, this revised and updated third edition goes far beyond the original to provide new information about the legality of euthanasia and assisted suicide, and a thoughtful examination of the personal issues involved. It has become the essential source to help loved ones and supportive doctors remain within existing laws and keep a person's dying intimate, private, and dignified.

With deep compassion and sensitivity, it spells out why a living will may not be sufficient to have a person's wishes carried out--and what document is a better alternative. It updates where to get proper drugs and exactly how to carry out the quickest, most peaceful way to make a final exit. Finally, it gently talks to a person considering self-deliverance about alternatives, planning, and the means to make every death a "good death" at our time of greatest need.

作者介绍:

Derek Humphry is the founder of the Hemlock Society USA in 1980 and was its executive director until 1992, when he resigned to write and lecture.

Before that he was a journalist on the Los Angeles Times, the London Sunday Times, and the London Daily Mail.
