Michael Palin's travel books have repeatedly topped the bestseller lists. In this book he is back at his adventurous best tie-ing in with a major BBC TV series. The book/series will travel through many countries little known to the West, providing opportunities for Palinesque adventures to please the large and loyal audience who followed 80 Days, Pole to Pole and Full Circle.

Wongchu陪他走尼泊尔

看过这个BBC的纪录片。摄制组从西向东穿越喜马拉雅山区，途径巴，印，尼，中等国。这个是Palin以当时做的笔记整理的。
