Finally! A concise set of practical, ignore-at-your-own risk guidelines that married couples and about-to-be-marrieds can consult for the definitive word on matrimonial relations.

Rules for Husbands and Rules for Wives lay down the law in a way that's both hilarious and so close to the truth it hurts. James Dale covers it all, from "an appliance is not a gift" to "let him hold the TV remote; it makes him feel like he's in control of something".

Rules for Husbands and Rules for Wives are gifts for all occasions, or just to say "I love you" with a laugh.

About Author
