## Book Description

In this well-loved Little Critter picture book, our funny young hero has to get used to a new baby sister. What a problem. The baby doesn't pay attention when Little Critter reads to her. She cries when he makes silly faces. And she can't understand the jokes he tells. It's seems like an impossible task, but Little Critter finally figures out what you CAN do with a new baby -- and becomes a very good brother.
