Bella Legrossi is the messiest monster in all of Booville. Her slime is the slimiest and her grime is the grimest. Alas, she is neighbors with Boris Kleanitoff, a persnickety ghoul so tidy he vacuums his vampire bats. What could ever bring these two together?

It will take a Halloween party like no other--a full creature-feature of beasts, ghosts,

and creepy-crawlies, and some of the fanciest dance moves since Morrie Mummy shook a leg clean off. So grab a mug of ghoul drool and join the fun!

Wicked wit Carolyn Crimi and illustrator Gris Grimly have put their heads together (along with a few they found in the graveyard) and cooked up the funniest, funkiest, and out-and-out freakiest monster mash you've ever seen!
