Alex Cross was a rising star in the Washington, DC, Police Department when an unknown shooter gunned down his wife, Maria, in front of him. The killer was never found, and the case turned cold, filed among the unsolved drive-bys in D.C.'s rough neighborhoods. Years later, still haunted by his wife's death, Cross is making a bold move in his life. Now a free agent from the police and the FBI, he's set up practice as a psychologist once again. His life with Nana Mama, Damon, Jannie, and little Alex is finally getting in order. He even has a chance at a new love. Then Cross's former partner, John Sampson, calls in a favor. He is tracking a serial rapist in Georgetown, one whose brutal modus operandi recalls a case Sampson and Cross worked together years earlier. When the case reveals a connection to Maria's death, Cross latches on for the most urgent and terrifying ride of his life. From the man USA Today has called the "master of the genre," Cross is the high-velocity thriller James Patterson and Alex Cross's fans have waited years to read--and the pinnacle of the bestselling detective series of the past two decades.

James-Patterson之Alex-Cross系列

评论

比较俗套...没什么惊喜

很长时间来看的第一步悬念小说 蛮不错的～

心里警察VS变态杀手。最后还是没抓到。貌似cross系列都这样。。
