Written by one of the world's outstanding music historians and critics, the late Alfred Einstein, this classic study of Mozart's character and works brings to light many new facts about his relationship with his family, his susceptibility to ambitious women, and his associations with musical contemporaries, as well as offering a penetrating analysis of his operas, piano music, chamber music, and symphonies.

评论

深入浅出，对于乐谱和作曲家生平全方位覆盖的解读实在很受用。
