Little Beaver's search for a friend he thinks he hears across a pond is perfect for every child who's ever felt lonely. "Children old enough to long for friends of their own will nestle right into this appealing story....Ideal for reading aloud at the beginning of the school year or during camp sessions, when there's a little bit of Little Beaver in every kid." -- Booklist "Perfect for little ones at quiet-time or bedtime." -- Publishers Weekly "Enchanting." -- The New York Times Book Review
