In the year 2001 the Nobel Foundation celebrates the Centennial of the first Nobel Prizes. Among the events for 2001 is the opening of a Centennial Exhibition in Stockholm. An identical exhibition will open in Oslo in the fall of 2001 and then tour different cities around the world. The Nobel web site has been upgraded to Nobel e-Museum (NeM)--a virtual museum of science and culture which can be found on the Internet at www.nobelprize.org.
