There are few things Jeremy Marsh was sure he'd never do: he'd never leave New York City; never give his heart away again after barely surviving one failed marriage; and most of all, never become a parent. Now, Jeremy is living in the tiny town of Boone Creek, North Carolina, married to Lexie Darnell, the love of his life, and anticipating the birth of their daughter. But just as his life seems to be settling into a blissful pattern, an unsettling and mysterious message re-opens old wounds and sets off a chain of events that will forever change the course of this young couple's marriage ...

## 评论

At first sight,I had fallen in love with its cover.

-----  
四分之一弃

-----  
竟然发现是true believer的接续= =。。。。。好神奇。

-----  
Typical Sparks...typical airport read~ filled with American slangs and expressions. It makes at least a good read for high schoolers.

-----  
看的想睡觉，不过还是看完了。我已经不适合看这种书了
