This Victorian bestseller, along with Braddon's other famous novel, *Aurora Floyd*, established her as the main rival of the master of the sensational novel, Wilkie Collins. A protest against the passive, insipid 19th-century heroine, Lady Audley was described by one critic of the time as "high-strung, full of passion, purpose, and movement." Her crime (the secret of the title) is shown to threaten the apparently respectable middle-class world of Victorian England.

## 评论

其实故事是不复杂的

头与尾过于冗长，但是中间却非常精彩。文字细腻这就不用说了。其实不难看出Braddon是受过非常好的教育的。

前三分之二文笔真是不错的,就是结尾有点囧.可能是那个时代的作者都这么写结局吧呵呵..

(1862) R4

情节扣人心弦，情感细腻悠远。维多利亚时代的光荣与遗憾，几乎尽收眼底。

Sensation novel is unfortunately underestimated and marginalized.

有点过于冗长...但还是金句频出的

好朋友失踪之后，男主角茶饭不思，拼命追查杀人凶手，最后还娶了和好朋友性格相貌都很像的妹妹。虽说这书一般都是从女性主义角度分析Lady Audley，但怎么读着就这么基情满满呢~@stellaslyvia

结局的几章峰回路转啊！英文小说就是这样，一开始好多悬念要等最后几集才会解开。好人没死，坏人死了，也算大团圆吧！
