装帧:Paperback

isbn:9780520245143

Leading Chinese journalist Sang Ye follows his successful book *Chinese Lives* with this collection of absorbing interviews with twenty-six men, women, and children taking the reader into the complex realities of the People's Republic of China today. Through intimate conversations conducted over many years, *China Candid* provides an alternative history of the nation from its founding as a socialist state in 1949 up to the present. The voices of people who have lived under—and often despite—the Communist Party's rule give a compelling account of life in the maelstrom of China's economic reforms—reforms that are being pursued by a system that remains politically rigid and authoritarian. Artists, politicians, businessmen and -women, former Red Guards, migrant workers, prostitutes, teachers, computer geeks, hustlers, and other citizens of contemporary China all speak with frankness and candor about the realities of the burgeoning power of East Asia, the China that will host the 2008 Olympics. Some discuss the corrosive changes that have been wrought on the professional ethics and attitudes of men and women long nurtured by the socialist state. Others recall chilling encounters with the police, the law courts, labor camps, and the army. Providing unique insight into the minds and hearts of people who have firsthand experience of China's tumultuous history, this book adds invaluable depth and dimension to our understanding of this rapidly changing country.

## 作者介绍:

Sang Ye divides his time between China and Brisbane, Australia. His most recent book is *The Year the Dragon Came* (1996). Geremie R. Barmé is a Professor of Chinese History at the Research School of Pacific and Asian Studies at The Australian National University. He is the author of *An Artistic Exile: A Life of Feng Zikai* (California, 2002), *In the Red: On Contemporary Chinese Culture* (1999), and *Shades of Mao: The Posthumous Cult of the Great Leader* (1996). Miriam Lang is a researcher and translator based at Monash University in Melbourne.

## 评论

總結起來可以是“小市民如何在改革開放中合法和非法的賺錢”。個人覺得最fascinating的幾篇，1.行刑手槍決別人的詳細經過（吃飯時看的看完真的吃不下還想吐）；2.90年代來深圳白天打工/晚上在電影院賣淫的打工妹的故事；3.類似于ufo協會主席的人物；4.雲南的少數名族基督徒。5.

ngo和孤兒院的故事也很吸引人。絕對是讓人了解中國人自己也不知道的中國。

---

作者只是记录不同阶层不同经历的人的讲述，却不发表自己的观点，或许让读者自己去思考吧。这点很特别。但是因为是中文翻译成的英文版本吧，读起来不太给力，很想有机会找到中文版读读。

---

各种口述史，不同人的语气翻译得还挺传神
