装帧:Paperback

isbn:9780140244823

A powerful and gripping novel from the acclaimed author of Vanished and A Dangerous Woman. "A nearly perfect summer book. . . . Songs in Ordinary Time is real life cruising small-town USA with the top down and the volume up. In her graphic, stiletto chapters, Mary McGarry Morris is a cross between Elizabeth Gaskell and David Lynch".--Minneapolis Star Tribune. NPR sponsorship.
