isbn:9781402706332

With more than 40 fabulous afghan patterns from master designer Donna Kooler, crocheters will grab their needles and stitch to their heart's content. These incredible blankets come in a range of styles and colors; some are filled with country charm, others feature festive designs, still more are sophisticated, warm and cozy, and just right for masculine comfort. There's one for a wedding present, soft and gentle afghans to cuddle baby, a cool cotton throw to keep away the chill, and more....
