One of the very best revisions of the Loteria Mexican bingo game. Based on the children's book 'The King of Things', this is a beautifully produced gameset for up to 8 players. Cards and game boards are glossy printed on very thick, durable cardstock.

Little Lalo of the book has imagined himself into the cards themselves and appears in every image, as rendered by Mexican artist Atemio Rodriguez. (See also 'Puro Muerto' and 'American Dream'). Packaged nicely in a gatefold case. 2006,

好玩的卡片记忆游戏，插图和卡片都制作精美。
