Boba Fett fears only one enemy--the one he cannot see....

Feared and admired, respected and despised, Boba Fett enjoys a dubious reputation as the galaxy's most successful bounty hunter. Yet even a man like Boba Fett can have one too many enemies....

When Boba Fett stumbles across evidence implicating Prince Xizor in the murder of Luke Skywalker's aunt and uncle, Fett makes himself an enemy even he fears: the unknown mastermind behind a monstrous deception, who will kill to hide his tracks. Fett also finds himself in possession of an amnesiac young woman named Neelah, who may be the key to the mystery--or a decoy leading Fett into a murderous ambush. Fett's last hope is to run through the list of Xizor's hidden enemies. And since Xizor's hidden enemies are almost as legion as Fett's, the chance of survival is slim--even for someone as skilled and relentless as Boba Fett.

Anthony Heald is a superb performer for the various Star Wars audiobooks. He slides in

and out of distinctive Star Wars characters with such smoothness that the characters are instantly recognizable, as if the original actors were working in ensemble. In HARD MERCHANDISE, the classic antihero, bounty hunter Boba Fett, outsmarts everyone and penetrates the evil designs of a master trickster. In STARFIGHTERS OF ADUMAR, pilot General Wedge Antilles must cope with a sleazy alien government trying to choose sides in the Alliance/Empire wars. High-action, Star Wars special effects, and grandiose music prevail. D.R.W.
