Two backcountry skiers find the body of a young woman embedded in the ice of a remote mountain creek. All through the night police work with arc lights and chainsaws to prise her out. Identifying her doesn't take so long. Abbie Cooper is wanted for murder and her picture is on law enforcement computers all across America. But how did she die? And what was the trail of events that led this golden child of a loving family so tragically astray? From the number one bestselling author of The Horse Whisperer, master storyteller Nicholas Evans, comes this powerful new novel, an epic thriller of the human heart. In a journey of discovery and redemption, from the streets of New York to the daunting grandeur of the Rocky Mountains, it tells the heart-rending tale of a family fractured by divorce. As both parents and children struggle in search of lost happiness, some devastating truths unravel. "The Divide" is the story of a great love betrayed and of the yearnings and needs, and the dashed hopes and disillusionments that connect and separate all men and women.
