Nicola is in love! And not just with an ordinary man. Her heart has been captured by Lord Sebastian, better known as The God - the most handsome and dashing man who ever lived. But are gods always as perfect as they are meant to be?

This is a 'regency romance' series for girls from the internationally best selling author of THE PRINCESS DIARIES. Meg is one of the most popular children's authors in the UK and her work has been translated into film.

Like Apollo, the sun god, Lord Sebastian seared Nicola's soul. Just a single glance. That was all it took. Nicola is in love! And not just with an ordinary man. Her heart has been captured by Lord Sebastian, better known as The God - the most handsome and dashing man who ever lived. But are gods always quite as perfect as they are meant to be? Nicola is about to find out...

MEG CABOT is the author of the best-selling, critically acclaimed Princess Diaries

books, the first of which was made into the wildly popular Disney movie of the same name. Her other books for teens include All-American Girl, Haunted: A Tale of the Mediator, and Teen Idol. She lives in New York City with her husband and a one-eyed cat named Henrietta.
