As well as being the author of the greatest of all children's plays, Peter Pan, J.M. Barrie also wrote sophisticated social comedy and political satire. The Admirable Crichton and What Every Woman Knows are shrewd and entertaining contributions to the politics of class and gender, while Mary

Rose is one of the best ghost stories written for the stage. For this edition, the texts of these plays have been newly edited and are supplemented with an in-depth introduction and detailed annotations.
