1921. Sir James Matthew, Baronet Barrie a Scottish journalist, playwright, and children's book writer who became world famous with his play and story about Peter Pan, the boy who lived in Never Land, had a war with Captain Hook, and would not

grow up. Barrie's play, A Kiss for Cinderella, is about Jane, a poor London domestic who cares for four tiny orphans during the dark days of WWI. The economic squalor and emotional deprivation of her existence is alleviated only by the richness of her imagination. Jane lives in her own fantasy world. She is really Cinderella, and she knows that someday her invitation to the Prince's ball will come. See other titles by this author available from Kessinger Publishing.
