As a baby, Peter Pan fell out of his carriage and was taken by fairies to Neverland. There he can fly and is the champion of the Lost Boys and a friend to the fairy Tinker Bell. Revisiting England, Peter becomes involved with Wendy Darling and her younger brothers, all of whom accompany Peter to Neverland. Peter, the Lost Boys, and the children have many adventures and vanquish the pirate Captain Hook. The Darling children eventually return home, taking the Lost Boys with them and leaving Peter Pan to his perpetual boyhood.
