装帧:Hardcover

isbn:9781401601768

A Gentleman at the Table will give any man the knowledge he needs to maneuver any dining situation - from a casual meal of fried chicken at his mom's house to a seven-course dinner at the finest restaurant in the world. It includes. . .

How to set a table

How to pronounce more than 100 unusual food names

How to use obscure eating utensils

How to perform the Heimlich maneuver

How to eat more than 25 foods that are challenging to eat gracefully such as lobster, snails, fried chicken, and pasta.

In a society where more and more people eat with plastic forks and spoons at fast food restaurants, it is still important that a man know proper dining etiquette. There are still situations where not knowing what a finger bowl is or not knowing how to pronounce an item on a menu can have an effect on what others think of you. Showing he has little working knowledge of table manners at a lunch meeting or on a job interview over dinner may have an important impact on a man's life.

Like all the books in the GentleManners series, *A Gentleman at the Table* is easy to use, non-threatening, and an entertaining read.
