Tantalizing words written on an ivory card. It is the first clue that will lead an intrigued and intriguing London lady on an odyssey of sensual experience designed to awaken her romantic nature. Out-of-work actor Hughie Venables-Smythe has found a profitable new outlet for his talents. He is hired, often by distraught husbands, to flirt with wives who are feeling neglected in their relationships. His current seductive campaign is focused on Olivia, the spouse of a narcissistic billionaire, and the lady is responding quite nicely to the cream-colored missives he secretly leaves for her. So nicely, in fact, that Hughie decides to employ a similar technique--and shockingly similar messages--in his pursuit of his own heart's desire: the aloof and charming lingerie designer, Leticia. But the canny, professional flirt's brazen anonymous intrusions into the lives of two women are about to set in motion a series of remarkable events that no one could have anticipated--setting the stage for shocking revelations about love, friendship, and domestic bliss.

## 作者介绍:

A delicious romantic comedy from the bestselling author of Elegance 'Unique situation available for attractive, well mannered, reasonably educated young man. Hours irregular. Pay generous. Discretion a must.' In a small office in Half Moon Street, Hughie Venables-Smythe discovers the world of the professional flirt. A timeless art, it can save a marriage or lift a heart faster than any therapy. Letitia Vane runs a bespoke lingerie shop in Belgravia and understands just how to make women feel beautiful. But she cannot let her guard down and fall in love, least of all with Hughie. Olivia Bourgault de Coudray is in an unhappy marriage to a very wealthy man. When a series of beautiful notecards begins to appear, with intriguing clues handwritten on each, her interest is piqued. But the same clues are being delivered to Letitia. Who is flirting with whom? And is flirtation as innocent as it seems -- or can it lead to far more dangerous territories of the heart?
