"There is nothing -- absolutely nothing -- half as much worth doing as messing about in boats," Ratty explains to the young Mole one glorious spring morning. And so it seems to Mole, as they set off together on a series of adventures with the ever-excitabile Toad

and wise old Badger. In this Young Classic edition, children discover the riverside world of Ratty, Mole, and their friends. Photography and background information help to set the scene, and bring *The Wind in the Willows* to new life for a new generation of children.
