著者:George Brown Tindall

出版者:W. W. Norton & Company

出版时间:2003-06

装帧:Paperback

isbn:9780393924244

With nearly a million copies sold over five editions, America: A Narrative History is distinguished by its clear, colorful narrative and balanced incorporation of political history with social, cultural, and economic events. Retaining these classic strengths, the Sixth Edition introduces a new theme—the role of work in American life—and explores its social, political, and cultural dimensions. With an updated ancillary package that includes the new Norton Map Workbook in American History, America remains a superb choice for the US history survey.
