isbn:9780521824194

One of the first of Jane Austen's novels to be written, and one of the last to be published, *Northanger Abbey* is both an amusing story of how a naive girl enters society and wins the affection of a witty young clergyman, and a high-spirited parody of the lurid Gothic novels that were popular during Austen's youth. In the process it features a vivid account of social life in late eighteenth-century Bath, and Austen's famous defence of the novel as a literary form. This edition, based on the text of the novel as published posthumously in 1818, is accompanied by explanatory notes, and an appendix summarising the plots and situations of the Gothic fictions that form the basis of much of Austen's comedy. In addition there is an extensive critical introduction covering the context, publication, and critical history of the novel, a chronology of Austen's life, and authoritative textual apparatus.

我不食言+乐意奉陪

-----  
又一次试图给奥斯汀正名的机会的尝试失败了  
尽管作者一直强调她的女主角跟其他小说的不一样，平平无奇经历无奇，其实还是灰姑娘的故事，中间借鉴哥特式小说的部分算是亮点，结尾尤其仓促，不愧是第一本小说。  
拜拜
