Used alongside the students' text, Higher National Computing 2nd edition, this pack offers a complete suite of lecturer resource material and photocopiable handouts for the compulsory core units of the new BTEC Higher Nationals in Computing and IT, including the four core units for HNC, the two additional core units required at HND, and the Core Specialist Unit 'Quality Systems', common to both certificate and diploma level.

The authors provide all the resources needed by a busy lecturer, as well as a bank of student-centred practical work and revision material, which will enable students to gain the skills, knowledge and understanding they require.

Also available as a web download for adopters, this pack will save a course team many hours' work preparing handouts and assignments, and is freely photocopiable within the purchasing institution. The pack includes:

- * Exercises to support and develop work in the accompanying student text
- * Planned projects which will enable students to display a wide range of skills and use their own initiative
- * Assessment materials
- * Reference material for use as hand-outs
- * Background on running the new HNC / HND courses
- * Tutor's notes supporting activities in the students' book and resource pack
- * All the essential material for running a course in the 2003 Higher National Computing qualification from Edexcel
- * Full coverage of the compulsory core units for both the HNC and HND
- * Freely photocopiable within the purchasing institution with electronic files available to download from the web, this pack will save a course team many hours' work preparing handouts and assignments
