Pregnant and secretly married, Cheryl Anway scribbles what becomes her last will and testament on a school binder shortly before a rampaging trio of misfit classmates gun her down in a high school cafeteria. Overrun with paranoia, teenage angst, and religious zeal in the massacre's wake, this sleepy suburban neighborhood declares its saints, brands its demons, and moves on. But for a handful of people still reeling from that horrific day, life remains permanently derailed. Four dramatically different characters tell their stories: Cheryl, who calmly narrates her own death; Jason, the boy no one knew was her husband, still marooned ten years later by his loss; Heather, the woman trying to love the shattered Jason; and Jason's father, Reg, whose rigid religiosity has separated him from nearly everyone he loves. "Hey Nostradamus " is an unforgettable portrait of people wrestling with spirituality and with sorrow and its acceptance.

## 评论

The story is fantastic but a lot of grammar and spelling mistakes. Maybe on purpose?

## 书评

典型的作者也没有想清楚究竟怎么回事的情况下一个长篇故事，堆砌了青春期，离群索居，厌世，反宗教的种种元素和故事段落，一个毫无说服力的结尾，算做留给读者去思考。很无聊也很想不通。
