Business/Women/Self-Help - You will improve your professional life! Learn how easy it is to: Make your outside match your inside.

Get respect at work.

Feel, look and act successful and confident.

Create a sharper image - even in business casual!

Master modern business etiquette in dining, entertaining and communicating.

Look taller and thinner without growing an inch or losing a pound.

Make friends and establish rapport quickly and fearlessly.

Speak and sell with confidence and self assurance

Unlock your personal powerful charisma and charm!

Two authors share experience and expertise to fast-track you to success.

This book is designed for the woman who wants to level the playing field and succeed!
