

Psychiatric Interviewing

[Psychiatric Interviewing_ 下载链接1](#)

著者:Shawn Christopher Shea

出版者:Saunders

出版时间:1998-08-15

装帧:Hardcover

isbn:9780721670119

The 2nd edition of this clinically based guidebook that focuses on the initial psychiatric interview provides practical suggestions for analyzing and altering the interview to mesh with the specific needs of the patient. Contains detailed discussions of how to open an interview, how to interpret nonverbal communication, how to make more natural transitions, and how to arrive at accurate diagnoses. Offers special techniques for eliciting information from depressed, psychotic, and personality-disordered patients. This edition presents updated DSM-IV criteria, new strategies in suicide assessment, and an annotated interview section accompanied by sample write-ups with tips in the appendix.

评论

My favorite book on psychiatric interviewing. Dr. Shea is very sensitive and warm. These two qualities are lacking in some psychiatrists who only focus on symptoms and making diagnoses.

是超级实用的教你如何和client沟通，如何通过问题来diagnose的书，我其实没看完，只捡了喜欢的读。回美国再详细做一次笔记。
