出版者:Thunder Bay Press (CA)

出版时间:2003-11

装帧:Hardcover

isbn:9781592230648

View the epic history of US politics, power, and government through the photo lens in this powerfully written and beautifully illustrated book. The Republican Party visually

records victories and defeats in over 400 extensively captioned photographs with succinct linking text. Travel through the campaigns, rallies, strategy meetings, conventions and on to the final vote. This detailed survey helps you to see the history of the Party as it was and now is. Portraits of key party members, posters, buttons, campaign memorabilia, and magazine covers are included.
