For the millions of loyal readers of Road & Track who look forward to Peter Eagan's column every month, Side Glances 4 gives you more than 300 pages of Peter at his best. His conversational, self-effacing style and adroit use of the language make his writing appealing to every automotive enthusiast. Leanings (ISBN 0-7603-1158-7), his first volume of Cycle World columns, was a strong seller. Thankfully he's kept on writing, providing columns for Leanings 2 that are every bit as appealing and engaging as those in his first volume.
