In a breakthrough book first published in 1991, the authors address the dynamics in churches that can ensnare people in legalism, guilt, and begrudging service, keeping them from the grace and joy of God's kingdom. Written for both those who feel abused and those who may be causing it, *The Subtle Power of Spiritual Abuse* shows how people get hooked into abusive systems, the impact of controlling leadership on a congregation, and how the abused believer can find rest and recovery.
