Captivating tale by a master of make-believe recounts the further adventures of a little girl named Trot; Cap'n Bill, an old sailor; and their new friend, a boy named Button-Bright. Transported with the help of a magic umbrella to an island in the sky, the travelers meet six snub-nosed princesses, discover the King's treasure chamber, encounter a blue wolf, and meet Tourmaline the poverty Queen and Rosalie the Witch. Excitement and adventure fill their days in a delightful sequel to Baum's The Sea Fairies. 86 black-and-white illus.; 12 full-color illus.
